FY25 Annual Review Summary

This summary records my annual performance review for the 2025 financial year, completed on 18 August 2025. It sets out my rating, strengths, development areas and the goals proposed for FY26, and I keep it as a baseline for later reviews.

Area	Summary
Overall rating	Meets expectations, strong in delivery
Manager comment	Reliable, clear communicator, ready for more scope
Peer feedback	Easy to work with; calm under pressure

Strengths

- Structured planning and clear written updates.
- Calm handling of client questions.
- Good judgement on when to escalate.

Development areas

- Delegation: take on a wider role rather than doing the work personally.
- Commercial awareness: understand pricing and margin.
- Visibility beyond the project.

Goals for FY26

- Lead a client engagement from kickoff to demo.
- Complete the firm data-handling training.
- Build a first mentoring relationship.

These goals became the starting point for the 2026 goal setting in January.
